[Attachment C](#)

**Attachment A:** A request to change a chemistry course name from Chemistry I for Health-Related Professions/Lab to College Chemistry Principles I/Lab.

**Attachment B:** A request to develop a Portfolio class, SASC 2001, to assist students seeking credit for non-military life experience.

**Attachment C:** A request to discontinue two classes (AST 2404 & AST 1614) in Automotive in order to comply with National Automotive Technician Education Foundation (NATEF) accreditation standards, and to add two classes (AST 1104 & AST 1804). The new courses are listed in the current SouthArk catalog but have been inactive. These courses had to be added to maintain accreditation.

Phil Ballard made a motion to approve all three items which had been approved by the curriculum committee.

*Vote: All were in favor of approving these three items.*
