

Gainful Employment Disclosures – 2019

Program Name: Practical Nursing

Program Type: Technical Certificate

This program is designed to be completed in 16 months.

**Students desiring an Associate of Applied Science (AAS) degree must complete additional course work requirements.*

This program will cost \$7,552 for in-district tuition and fees if completed within normal time.

This program will cost \$8,215 for in-state tuition and fees if completed within normal time.

This program will cost \$12,040 for out-of-state tuition and fees if completed within normal time.

\$2000 estimated cost for books and supplies.

There may be additional costs for living expenses. These costs were accurate at the time of posting, but may have changed.

Students graduating on time: 91% of Title IV students complete the program within 16 months.

**With specific Health Science programs enrollment in the program only happens during a single term, which means that many students have one to two additional semesters past the normal allotted time.*

Of the students who completed this program within normal time, the typical graduate leaves with \$8,334 of debt. The typical monthly loan payment is \$86 per month in student loans with an interest rate of 4.45%.

Program meets licensure requirements in the following states: Arkansas
