VISION:

South Arkansas Community College will strive to be the leading resource for accessible education, workforce training, partnerships and economic development for our region.

PURPOSES:

1. To provide an environment that fosters excellence in learning and teaching.
2. To provide a university transfer program of high academic quality for students who plan to continue their education.
3. To offer degree and certificate programs to develop or enhance occupational skills that prepare learners for a changing global economy.
4. To provide developmental courses to prepare students to do college level work.
5. To provide adult education and workforce development.
6. To provide comprehensive student services to enhance students' success.
7. To promote civic involvement, cultural life, and economic development in the community.
8. To make education accessible through innovative instructional methods.

VALUES:

The college has identified six value statements that serve as guiding principles in fulfilling the Mission and Purposes.

1. Excellence in Education
We are committed to providing students access to a highly competent, innovative, and supportive faculty and staff; modern facilities equipped with current technology; and high quality academic and occupational programs.
2. Student Learning
We are committed to providing support, respect, and encouragement, thereby enabling students to achieve their educational goals and develop skills for lifelong learning.
3. Contribution to the Community
We strive to serve the academic, occupational, and enrichment needs of the community; enhance its quality of life; and support economic development in South Arkansas.
4. Quality of Work Environment
Recognizing that everyone contributes to the learning process, we value each member of our college community; foster respect, trust, and support among faculty, staff, and students; encourage responsible, creative risk-taking and innovation; and recognize and reward exceptional performance and integrity.
5. Respect for Diversity
Believing that everyone should have an opportunity to learn and succeed; we value intellectual and cultural diversity in the classroom, in the workplace, and in the community.
6. Commitment to Accountability
We are committed to continuous evaluation of our institution to address the needs of the present and to meet the challenges of the future.
