ATI TEAS Minimum Scores and Other Requirements

- Only the programs which require ATI TEAS are listed.
- **IMPORTANT NOTE:** Even though the student must attain the minimum scores listed below to qualify for program admission, most students who are selected for these programs score well above the minimum requirements listed.
- ***Super Score:** The highest scores for each section from all TEAS results are utilized.

Program	Minimum Reading Score	Minimum Composite Score	Maximum Attempts Allowed	*Super Score Used?	Selection criteria	Requirements	How are TEAS results obtained by the program?
Practical Nursing (LPN)	45	40 (calculated using super scores from the 4 attempts)	Maximum: 4 attempts within 18 months prior to application deadline; If the TEAS is taken more than 4 times, ONLY the first 4 results will be considered.	Yes	Pre-requisite GPA + cumulative GPA + TEAS scores from all 4 sections	At least one of the TEAS exam results must meet or exceed the minimum score of 45 on the Reading section AND the combination of the super scores from all exams must meet or exceed the minimum recalculated Composite score of 40.	Dept. of Nursing pulls the TEAS results from the ATI website after the testing center confirms the student has completed the exam.
PTA	55	55	Maximum: 4 attempts within 18 months prior to application deadline; If the TEAS is taken more than 4 times, ONLY the first 4 results will be considered.	No	Pre-requisite course GPA + pre-requisite science course GPA + TEAS Composite and section scores (with priority on Composite and Reading scores)	The ONE TEAS result that the student selects to submit to the program must meet or exceed the minimum score of 55 on the Reading section AND the minimum Composite score of 55. It should also have the highest Composite score of all TEAS attempts.	Students submit ONE chosen TEAS result to the program director.
Rad. Tech.	45	55 (calculated using super scores from the 4 attempts)	Maximum: 4 attempts within 18 months prior to application deadline; If the TEAS is taken more than 4 times, ONLY the first 4 results will be considered.	Yes	General Education course GPA (8 courses) + average of 3 recommendation form scores + TEAS composite + a personal statement + points for successful completion of each of the 5 courses that are NOT pre-requisites	In order to obtain an application to the program, at least one of the exam results must meet or exceed the minimum score of 45 on the Reading section AND the combination of the super scores must meet or exceed the minimum recalculated Composite score of 55.	Students submit TEAS results of exams to one of the Rad Tech program faculty members.
