**PN Day TC**

FIFTH SEMESTER/YEAR: Spring / \_\_\_\_\_

Course Number	Course Name	Code (see key)	Sem/Yr	Grade	Credit Hours	Milestones	Actions
PRNS 1317	Medical Surgical III with NCLEX Prep	F, *			9	<ul style="list-style-type: none"> <li>Successfully complete all courses with grade of 'C' or better to complete program and graduate</li> <li>While in the nursing program, students are not allowed to take any non-program courses.</li> </ul>	<ul style="list-style-type: none"> <li>Submit graduation application for TC in Practical Nursing</li> <li>Complete fingerprint cards for FBI/State Police criminal background check</li> <li>Complete registration for nursing licensure and NCLEX-PN exam</li> </ul>
<b>Total</b>					<b>7</b>		
<b>TOTAL PROGRAM CREDIT HOURS</b>					<b>49</b>		

**COMMENTS AND NOTES:**

The day program currently starts in the summer semester and graduates in May. This could change if needed.

<b>Program Description</b>	The PN program is designed to prepare the successful graduates who pass the NCLEX-PN licensure exam to provide diverse types of nursing care in a variety of health care environments for patients across the lifespan. The Warren program begins in the spring semester (Jan.) and concludes in December (3 semesters).
<b>Program Requirements</b>	<b>49 TOTAL Program credit hours.</b> Completion of all remediation requirements; Minimum cumulative GPA of 2.00; All prerequisite courses must be completed with grade of 'C' or better prior to program entry (GPA in prerequisite courses = min. of 2.00); May be enrolled in <u>only two</u> of the four prerequisite courses in the semester that immediately precedes program entry; Students admitted to the program are not allowed to take any non-program courses concurrently while in the program. Application required; Selective admission; Applicants will be selected based on a point system derived from a combination of cumulative GPA, prerequisite GPA, and TEAS scores. TEAS requirements: See <a href="https://www.southark.edu/academics/health-science/teas-exam">https://www.southark.edu/academics/health-science/teas-exam</a> ; TEAS results must be delivered by student to nursing dept. on day of testing; Selected students must pass a criminal background check and drug screen and are required to have all immunizations, vaccinations, testings, & screenings required by clinical facilities. After successful completion of all program courses (grade of 'C' or higher in all program courses), graduates will be eligible to register for the National Council Licensure Examination (NCLEX). Graduation from the practical nursing program does not automatically enable the graduate to sit for the NCLEX-PN. Eligibility to take the NCLEX-PN is dependent on meeting standards in the Arkansas State Board Nurse Practice Act and rules (or the standards of the Nursing Board in the state for which the graduate intends to apply for licensure). Graduation from the program does not ensure that the graduate will pass the NCLEX-PN licensure exam. Upon successful completion of the NCLEX-PN, the graduate will be a Licensed Practical Nurse (LPN).

<b>Career Opportunities</b>	Nurses evaluate patients and record their findings, keep records of their symptoms and progress, administer medications and help instruct the family in proper health care. Career opportunities are wide and varied and include, but are not limited to, employment in hospitals, clinics, schools, industry, and many other areas providing direct or indirect care to diverse patients as well as various other fields that do not include patient care.
<b>Transfer Paths and Requirements</b>	SouthArk ARNEC LPN-to-RN program

**REMEDIATION REQUIREMENTS:**

Current course placement requirements and applicable remediation can be found in the college catalog.

**I understand that when seeking a credential, I may be required to enroll in remediation / co-requisite lab courses as a result of my test scores in compliance with Arkansas Law, Act 1052, which may take additional semesters for successful completion.**
