

Southern Arkansas University

Degree Completion Partnership Agreement with South Arkansas Community College Associate of Applied Science in Process Technology

To

Southern Arkansas University B.S. in Engineering Physics with an option in Industrial Technology

Purpose

The purpose of this agreement is to assist students holding an Applied Science in Process Technology degree from South Arkansas Community College to move smoothly from South Arkansas Community College to Southern Arkansas University (SAU) for the completion of a Bachelor of Science (BS) in Industrial Technology. Through collaborative efforts, the partners desire to increase graduation rates, facilitate the transfer process, and maintain a high quality working relationship between the two institutions.
