POLICY TYPE: ENDS

POLICY TITLE: OCCUPATIONAL/WORKFORCE EDUCATION

South Arkansas Community College will contribute to the development of a fully employable adult population in the region, assisting adults in achieving workplace skills that are essential for families to reach self-sufficiency through gainful employment and adequate wages.

Accordingly:

1. **Progression**
   The College will attempt to increase the percentage of students who transfer from the secondary programs, adult education programs and developmental programs into the College as a college student.

2. **Employment**
   The College will monitor the number of graduating students entering the workforce.

C. **Licensure and certification rates**
   The College’s average score on registry exams will be at or greater than the state or national average each year.

Monitoring Report due: September (*Internal Report*)
