IV. Actions/Discussion
a. Academic Affairs- Susan Spicher, Chair
   i. Proposal to Accept red line changes to the Academic Assessment manual (please see page 8, and 11-13 of the manual). This will be an APM change.
      1. Disaggregation of data:
         a. Hybrid classes will be combined with online classes for data purposes in assessment reports.
         b. Dual/concurrent enrollment students who are in a college section class will be counted as On-site Traditional for the purposes of assessment reports.
   2. Assessment Report Review Teams (ARRT) will review academic assessment reports from the 2016 -2017 academic year. In February, 2018, the Assessment Committee will review the ARRT findings and will make any necessary recommendations for budgetary needs, assessment plan changes, and professional development activities.

   ii. Proposal to accept the revised Curriculum Proposal Request form.
      1. Changes include: addition of Plan of Study and Syllabus in the top listing, removal of VPAA signature and add of Curriculum Committee Chairman
iii. Proposal to eliminate the ATI Critical Thinking Exam testing fee of $35 that is associated with the SouthArk Success Course at the end of the 2017-2018 academic year.
   1. Explanation include: SouthArk has been collecting $35 per student in a testing fee to pay for the pre-test and post-test, sending that money off to the testing company, having students take the pre-test but very few students have taken the post-test. The last time any students took the post-test was May of 2016 and that was only three or four students. This seems like a waste of the testing fee if we are not going to do the post-test and therefore we should cancel that fee.

They have already been taught as face to face courses.
