

# 2021-2022 Dependent Verification Worksheet

*(Please read this form carefully)*

Your 2020-2021 Free Application for Federal Student Aid (FAFSA) was selected for review in a process called verification. The law says that before awarding Federal Student Aid, we may ask you to confirm the information you reported on your FAFSA. To verify that you provided correct information, we will compare your FAFSA with the information on this institutional verification document and with any other required documents. If there are differences, your FAFSA information may need to be corrected. You, and a parent whose information was reported on the FAFSA if dependent, must complete and sign this institutional verification document, attach any required documents, and submit the form and other required documents to us. We may ask for additional information. If you have questions about verification, contact us as soon as possible so that your financial aid will not be delayed.

## C. Tax Forms and Income Information

### 1. Verification of 2019 IRS Income Information for Student and/or Parent Tax Filers.

**Important Note:** The instructions below apply to the student (if filed/had income) &/or each parent included in the household. Notify the financial aid office if the parents filed separate IRS income tax returns for 2019 or had a change in marital status after December 31, 2019.

Instructions: Complete this section if the student &/or parents filed or will file a 2019 IRS income tax return(s). The best way to verify income is by using the IRS Data Retrieval Tool (IRS DRT) that is part of FAFSA on the Web at FAFSA.gov. In most cases, no further documentation is needed to verify 2019 IRS income information that was transferred into the student's FAFSA using the IRS DRT if that information was not changed.

#### Check all that apply:

- The **student** filed their own 2019 tax return and has used the IRS Data Retrieval Tool (DRT).
- The **student** filed their own 2019 tax return and has not yet used the IRS DRT but will use the tool to transfer 2019 IRS income tax information into the FAFSA.
- The **student** filed their own 2019 tax return but is unable or chooses not to use the IRS DRT & instead will provide a 2019 Tax Return Transcript(s) or a **SIGNED** copy of the 2019 income tax return and applicable schedules.
- The **parents** claimed the student and have used the IRS Data Retrieval Tool (DRT) to transfer the 2019 IRS income return information.
- The **parents** claimed the student and have not yet used the IRS DRT but will use tool to transfer 2019 IRS income tax information into the FAFSA.
- The **parents** claimed the student and are unable or chooses not to use the IRS DRT & instead will provide a 2019 Tax Return Transcript(s) or a **SIGNED** copy of the 2019 income tax return and applicable schedules.

A **2019 IRS Tax Return Transcript** may be obtained through:

- Get Transcript by Mail – Go to [www.IRS.gov](http://www.IRS.gov), click on the “Get Your Tax Record”. Click “Get transcript by Mail”. Make sure to request the “Return Transcript” and **NOT** the “Account Transcript.” The transcript is generally received within 10 Business days from the IRS’s receipt of the online request.
  - Get Transcript Online – Go to [www.IRS.gov](http://www.IRS.gov), click “Get Your Tax Record.” Click “Get Transcript Online.” Make sure to request the “Return Transcript” and **NOT** the “Account Transcript.” To use the Get Transcript Online tool, the user must have (1) access to a valid email address, (2) a text-enabled mobile phone (pay-as-you-go plans cannot be used) in the user’s name, and (3) specific financial account numbers (such as credit card number or an account number for a home mortgage or auto loan). The transcript displays online upon successful completion of the IRS’s two-step authentication.
  - Automated Telephone Request - Call 1-800-908-9946. Transcript is generally received within 10 Business days from the IRS’s receipt of the telephone request.
  - Paper Request Form – Complete and send a IRS Form 4506T-EZ or IRS Form 4506-T as instructed on the form. Transcript is generally received within 10 Business days from the IRS’s receipt of the telephone request.
- If the parents filed separate 2019 IRS income tax returns, the IRS DRT cannot be used and the **2019 tax return transcripts** or a **SIGNED** copy of the 2019 income tax return and applicable schedules **MUST** be provided for each:
