COMMENTS AND NOTES:	
JOHNNEHTO AND ITS : 25.	
Program Description	The Welding Layout & Pipefitting Certificate of Proficiency is designed to help the student gain an
	entry-level position as a pipefitter/layout person. Upon completion, the student should have
	knowledge of how to layout structure and pipe angles along with different fits. The curriculum is
	based upon certification criteria of the American Welding Society (AWS).
Program Requirements	8 credit hours
Link to Program Webpage	http://www.southark.edu/academics/career-and-technical-education/welding-technology
Career Opportunities	Graduates may find employment in manufacturing, maintenance, independent welding shops, and
	construction companies.
