Total						16	

COMMENTS AND NOTES:

Program Description	The Technical Certificate (TC) program is designed to prepare students for entry-level positions in automotive servicing, maintenance, and diagnostics. The National Automotive Technicians Education Foundation (NATEF), a nationally recognized automotive education organization, accredits the automotive program. The automotive program instructors are certified by the National Institute for Automotive Service Excellence (ASE).
Program Requirements	35 credit hours
Link to Program Webpage	https://www.southark.edu/academics/career-and-technical-education/automotive-service-technology
Career Opportunities	Graduates may find entry-level positions in automobile dealerships, independent service centers, specialty shops, and related automotive facilities.
Transfer Paths and Requirements	

REMEDIATION REQUIREMENTS:

Current course placement requirements and applicable remediation can be found in the college catalog.

I understand that when seeking a credential, I may be required to enroll in remediation / co-requisite lab courses as a result of my test scores in compliance with Arkansas Law, Act 1052, which may take additional semesters for successful completion.
