**COMMENTS AND NOTES:**

<b>Program Description</b>	This course is designed to teach the principles and skills needed to become a phlebotomy technician. It focuses on procedures in collecting, handling, transporting, processing, and disposal of patient specimens, and the use of appropriate equipment and supplies. Content also includes safety guidelines, federal regulations, professional conduct, ethics, communication, and medical terminology as related to phlebotomy. Successful completion of this course qualifies the student to take a national certified phlebotomy technician (CPT) examination. It consists of 5 credit hours of class and lab combined and 2 credit hours of practicum. This program is approved by NAACLS (National Accrediting Agency for Clinical Laboratory Sciences)
<b>Program Requirements</b>	<u>7</u> <b>TOTAL program credit hours</b> ; Must pass a criminal background check and drug screen; TB test (PPD), Hepatitis B immunization, Varicella immunization plus any other tests/immunizations required by assigned clinical facilities; Must provide own uniform attire for the Practicum.
<b>Link to Program Webpage</b>	<a href="http://www.southark.edu/academics/health-science/phlebotomy">http://www.southark.edu/academics/health-science/phlebotomy</a>
<b>Career Opportunities</b>	Laboratories in a variety of healthcare settings such as hospital and clinics
<b>Transfer Paths and Requirements</b>	NA

**REMEDIATION REQUIREMENTS:**

Current course placement requirements and applicable remediation can be found in the college catalog.

I understand that when seeking a credential, I may be required to enroll in remediation / co-requisite courses as a result of my test scores in compliance with Arkansas Law, Act 1052, which may take additional semesters for successful completion.
