COMMENTS AND NOTES:

Program Description	The GMAW Certificate of Proficiency gives students a basic understanding of the various gas metal arc welding techniques. The curriculum is based upon certification criteria of the American Welding Society (AWS) and the National Center for Construction Education and Research (NCCER). Students may receive employment as entry-level welders at various manufacturing plants and job sites.
Program Requirements	8 credit hours

Career Opportunities	Graduates may find employment in manufacturing, maintenance, independent welding shops, and construction companies.
Transfer Paths and Requirements	

REMEDATION REQUIREMENTS:

Current course placement requirements and applicable remediation can be found in the college catalog.

I understand that when seeking a credential, I may be required to enroll in remediation / co-requisite lab courses as a result of my test scores in compliance with Arkansas Law, Act 1052, which may take additional semesters for successful completion.
