of higher-level critical thinking skills to prepare them for transfer and/or a diverse career field. This course sequence is designed to fulfill the general requirements of the first two years of study for a four-year degree.  Program Requirements  60 credit hours  While the AA is designed as primarily a transfer degree, graduates could seek employment as an administrative assistant, customer service director, or sales agent. With additional internships or training, AA degrees can lead to jobs in law enforcement, paralegal, and retail management.  Transfer Paths and Requirements  The Associate of Applied Science (A.A.S.) degree is awarded to students who successfully complet program of collegiate level work primarily designed for direct employment. Minimum 2.00 GPA.  REMEDIATION REQUIREMENTS:  Durrent course placement requirements and applicable remediation can be found in the college catalog.  Understand that when seeking a credential, I may be required to enroll in remediation / co-requisite lab courses as a result of my test scene compliance with Arkansas Law, Act 1052, which may take additional semesters for successful completion.
