## South Arkansas Community College

### School Enrollment

Individual enrollments (*Table 1*) were identified from the snapshot file of the data collected via the internal database, Jenzabar, for the listed terms on the 11th day of classes. The student semester credit hours (SSCH) count and full-time enrollment (FTE) presented (*Table 1*) are based on the corrections provided by the Arkansas Department of Higher Education (ADHE) which can include the removal of undocumented students and classes beginning after the 11th day of the term. Additional credit hours seen in later charts reflect these off schedule classes. Full-time status is defined by ADHE as a 15 hour or more credit load while the national Integrated Postsecondary Education Data System (IPEDS) uses a 12 hour minimum.

**Table 1: Individual Enrollments, SSCH, FTE for Fall 2018 and Spring 2019**

Individual Enrollments		
	Fall '18	Spring '19
<b>Headcount</b>	1,472	1,357
<b>SSCH</b>	13,866	12,901
<b>FTE (ADHE)</b>	924	860

Individual enrollment classifications (*Table 2, Chart 1, and Chart 2*) are defined by ADHE as follows:

- First-time entering undergraduate student- a student entering any college for the first time ever.
- First-time entering undergraduate transfer student- an undergraduate student entering the institution for the first time with credit courses attempted or completed at another institution.
- Continuing undergraduate student - a student who was previously enrolled at the college during the previous regular academic term and has completed a year's worth of courses.
- High school student- A student who has not received a high school diploma or GED but is enrolled in college-level courses.
- Readmitted undergraduate- an undergraduate who has transferred to another college, but then returned to SouthArk.

The Fall and Spring values for full-time and part-time students (*Table 3*) are based on the IPEDS definition of 12 hours.

## School Enrollment Demographic

At this time, IPEDS reporting combines self-reported ethnicity and race. Whenever race or ethnicity is referred to in the context of the enrolled population, they will be considered interchangeable. (Chart 3, Chart 4) \*Hispanic/Latino individuals of any race were reported as Hispanic/Latino; Non-Hispanic/Latino individuals only were reported as a race.

**Table 4: Fall 2018 & Spring 2019 Individual Enrollments by Ethnicity**

<b>Total</b>	<b>1,472</b>	<b>1,357</b>

Age is determined on the 11<sup>th</sup> day count using the date of birth. Age is always rounded down to the whole number for internal reporting. (Table 5)
